Director,

Department of Employment and Training.

Population Growth in India

- ✓ India is the 2nd most populous country with over 1.4 billion people.
- ✓ Though growth has slowed, high birth rates continue to add numbers.
- ✓ India is in a demographic transition: death rates dropping, fertility rates reducing.

Key Issues Related to Population

Government Initiatives

- **Family Planning Programs:** Promoting contraception, small families.
- **National Population Policy (2000):** Delay marriage, reduce fertility, improve health.
- **Incentives:** Financial aid for sterilization, maternal and child health schemes.
- **Awareness:** Campaigns through schools and media.
- **Rural Development:** Better jobs, services to balance rural-urban gap

Tamil Nadu – A Case Study	Challenges
Tamil Nadu has successfully reduced fertility rates	**Cultural barriers**: Preference for large families and male children
Focus on women's education and family planning awareness	**Lack of Education**: Especially among women, leads to high fertility
Improved rural healthcare access and female empowerment helped	**Economic factors**: Poor families depend on children for labor

Why Population Control is Important

- Ensures **resource sustainability** and **economic growth.**
- Leads to **better healthcare, education,** and overall **quality of life.**
- Helps in building a **productive, skilled population**

Government Initiatives for Population Control

Sterilization Compensation Scheme
- Beneficiaries (for wage loss).
Providers and medical teams (for performing sterilizations).

Clinical Outreach Teams (COT)
- Operates in **Mission Parivar Vikas districts.**
Provides **mobile family planning services** in remote and underserved areas

Redesigned Packaging
Attractive, redesigned packaging for **condoms, oral contraceptive pills (OCPs)** and **emergency contraceptive pills (ECPs)** to boost demand

Mission Parivar Vikas
- Launched in **146 high fertility districts** (TFR ≥ 3) across ***7* high-focus states:**
Uttar Pradesh, Bihar, Rajasthan, Madhya Pradesh, Chhattisgarh, Jharkhand, Assam.
Aim: **Expand access** to contraceptives and family planning services

Expanded Contraceptive Choices
- **Injectable contraceptives** and **Centchroman (non-hormonal pill)** added.
Post-Partum IUCD (PPIUCD) introduced – IUCD insertion immediately after delivery.

Logistics & Quality Management
- **FP-LMIS**: Digital system for efficient logistics of family planning supplies.
NFPIS: Insurance for clients in case of: DeathMedical complications
Sterilization failure

Quality Assurance
- Formation of **Quality Assurance Committees** in **all states and districts.**
Ensures **safe and reliable** family planning services.

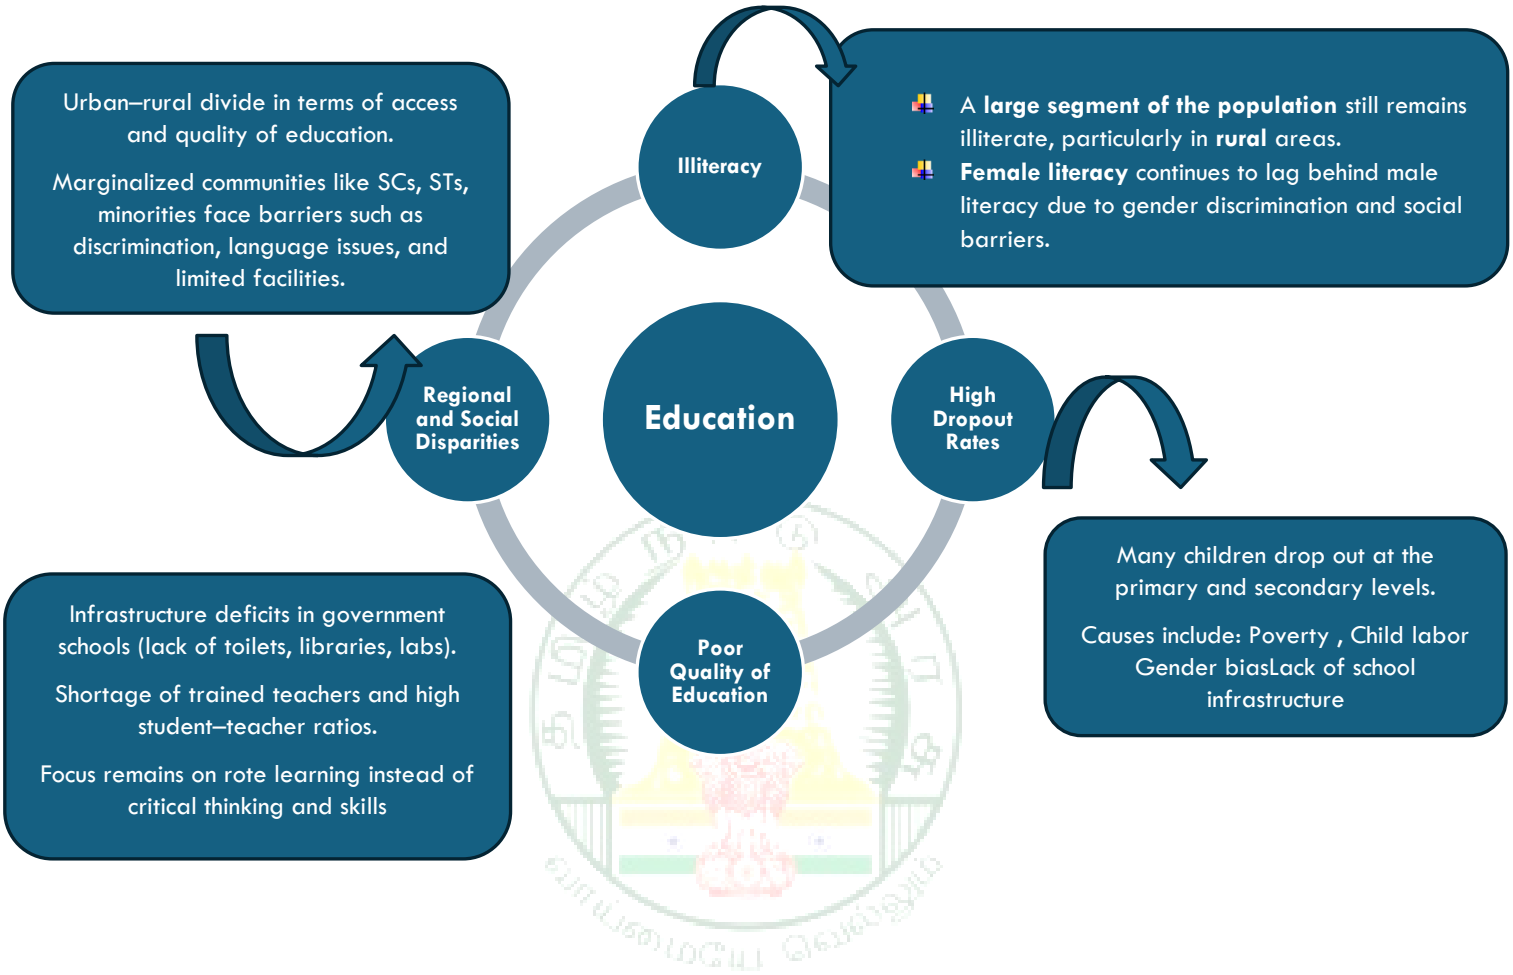

Dedicated Counselors
RMNCH+A counselors appointed at **high case-load health facilities** to guide and support clients.

Demand Generation
Intensive **360-degree media campaign** to promote awareness and acceptance of family planning

ASHA-Based Schemes
- **Doorstep delivery** of contraceptives by ASHA workers.
- **Spacing in Births** initiative led by ASHAs.
Pregnancy Testing Kits included in ASHA drug kits for community use

DEPARTMENT OF EMPLOYMENT AND TRAINING
TNPSC GROUP IV- UNIT V: INDIAN ECONOMY AND DEVELOPMENT ADMINISTRATION IN TAMIL NADU

Social Problems – Education

Government Initiatives

Right to Education (RTE) Act, 2009	●Provides **free and compulsory education** for children aged **6–14 years.** Focuses on **universal access** and retention in schools
Samagra Shiksha Abhiyan	●Integrated scheme covering **pre-primary to Class 12.** Focus on **inclusive and equitable** education with better learning outcomes
Midday Meal Scheme	●Aims to **increase school enrollment, retention,** and **nutritional levels.** Covers children in **government and aided schools.**

DEPARTMENT OF EMPLOYMENT AND TRAINING
TNPSC GROUP IV- UNIT V: INDIAN ECONOMY AND DEVELOPMENT ADMINISTRATION IN TAMIL NADU

National Education Policy (NEP) 2020

- Shift to **holistic and multidisciplinary** education.
- Emphasis on **conceptual learning, mother tongue instruction**, and **flexibility** in subject choice.

Restructures school format to **5+3+3+4** pattern

Digital & Vocational Learning

- Promotion of **digital education platforms** like DIKSHA, SWAYAM.
- Introduction of **vocational subjects** from school level to make students job-ready

Rashtriya Avishkar Abhiyan (RAA)

- Science, Math Fun Learning Clubs, Innovation Hubs, Olympiads AI, Design Thinking, Organic Living

Samagra Shiksha

- Pre-primary to Class 12
- Uniforms, Textbooks, Hostels
- Focus on CWSN (Children with Special Needs)
- 2023: Academic Resource Persons for Career Guidance
- Smart Classes, Libraries, Yoga, ICT, Sports

PM SHRI Schools

- 15,000+ Model Schools , Green Schools: Solar, Waste Mgmt
- Climate Education & Hackathons ,Implemented 2022–2027

PM POSHAN (Mid-Day Meal)

- Balvatika to Class 8
- Nutritional Support + Attendance
- Summer Meals in Drought/Disaster
- MDM Rules (2015): Food Testing, School Committees

National Means-cum-Merit Scholarship

- ₹12,000/year for Class 9–12
- Targets Economically Weaker Students
- 1 Lakh Scholarships/Year
- Not for KVS/NVS/Residential Schools
- Income Limit: ₹3.5 Lakh/Year

ULLAS – Adult Education

- Age 15+ (Non-schooled Adults)
- Literacy, Numeracy, Life Skills, Vocational, Continuing Ed.
- Volunteers + Hybrid Model
- CNCL at NCERT supports
- Slogan: “Jan Jan Saakshar”

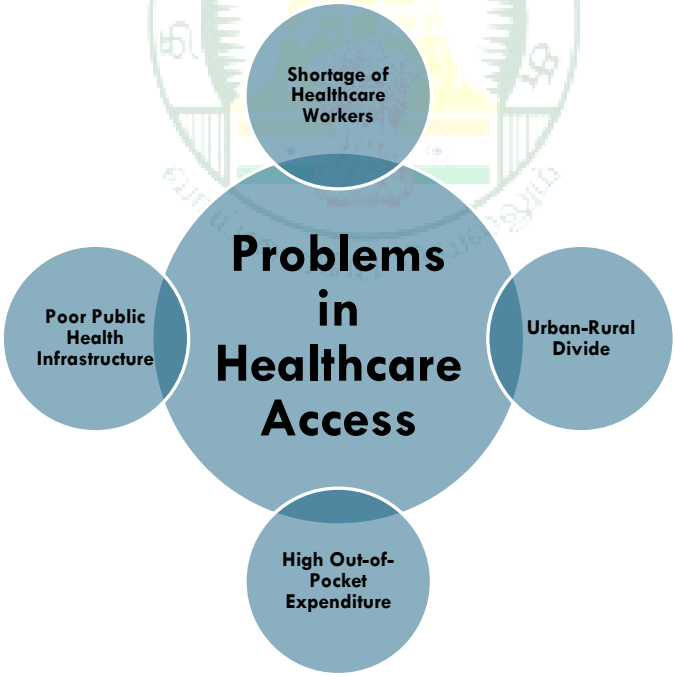

Scheme / Initiative	Focus Area	Key Features / Objectives
World Class Institutions (Institutions of Eminence)	Global Ranking, Autonomy	20 institutions (public & private); academic, administrative, financial autonomy; goal: top 500 globally, then top 100.
Unnat Bharat Abhiyan (UBA)	Rural Development	Connects HEIs with villages; promotes traditional knowledge & technology-driven rural transformation.
National Digital Library of India	Digital Learning Access	Digital content repository; supports all learners; enhances education, research, and innovation.
Research, Innovation and Technology Goalposts	National R&D	10 national goals; time-bound research plans; IITs and ISC involved in execution.
Bachelor of Vocational Studies (B.Voc)	Skill-Based Education	Multi-exit options (Diploma, Adv. Diploma); NSQF-aligned; bridges education and employability.
SAMVAY	Academic–Vocational Integration	Facilitates vertical/lateral mobility; integrates academic & practical skills; holistic approach.
YUKTI	Traditional Skills Innovation	Supports artisans; promotes tech/design in crafts; economic upliftment through innovation.
SAKSHAM Scholarship	Support for Differently Abled	Financial aid for technical education; ₹5 crore/year; covers tuition & incidentals in AICTE-approved institutions.
Ishan Uday Scholarship	Support for NE Students	UG scholarships for low-income NE dents; 1) ₹5,400(General) (For 10 months every year) ,

		2) ₹7,800 (Technical)(For 10 months every year)
Ishan Vikas	Academic Exposure	NE students visit IITs/NITs/IISERs for short-term academic interactions and exposure.
Pragati Scholarship	Girls' Technical Education	Encourages girl students in technical fields; promotes women's empowerment via education.
Swami Vivekananda Scholarship (Single Girl Child)	Women in Research	Supports single girl child pursuing research in social sciences; reduces dropout rates.
SWAYAM	Free Online Education	Free, quality courses; 4-quadrant learning model; bridges digital divide; open to all learners.
Open and Distance Learning (ODL)	Distance Higher Education	Provided by open universities (e.g., IGNOU); expands access to higher education across regions.
PM-USP *(with CSSS, SSSJKL, CSIS)*	Financial Aid to Students	CSSS: scholarships for college students; SSSJKL: for J&K & Ladakh; CSIS: education loan interest subsidy.
National Apprenticeship Training Scheme (NATS)	Skill Development	₹3,054 crore budget; apprenticeships across disciplines; links students with industries.
Prime Minister's Research Fellowship (PMRF)	Research Excellence	High-value fellowships to top researchers; aims to boost innovation and R&D in India.

Social Problem -Health

- **High Disease Burden**:
  - Both communicable (e.g., TB, malaria) and non-communicable diseases (e.g., diabetes, heart disease) are widespread.
- **Malnutrition**:
  - High among children and women; anemia is common among women.
- **Maternal & Infant Mortality**:
  - Rates have improved but remain a concern, especially in rural and underserved areas.
- **Mental Health Issues**:

Increasing prevalence, but stigma and lack of mental health services are barriers.

Major Government Initiatives

- **National Health Policies**
  - **1983 Policy:** Primary healthcare, health volunteers, referral systems
  - **2002 Policy:** Strengthening public health, private sector engagement
  - **2017 Policy:**
    - Life Expectancy Target: 70 years by 2025
    - Reduce Infant Mortality Rate (28 by 2019), Neonatal Mortality Rate (16 by 2025)

	Health Schemes
For Children	ICDS (1975): Nutrition, immunization, child healthcare Universal Immunization Program (1985) National Health Mission (2013): Strengthening healthcare infrastructure POSHAN Abhiyaan (2018)
For Women	PM Matru Vandana Yojana (2017): Financial support for maternal care Janani Suraksha Yojana (2005): Institutional deliveries PMSMA: Free check-ups on the 9th of every month
